Fabrication & Material

1½" (0.95 cm) 45 lb (20.4 kg) density M3 grade particle board with durable high-pressure laminate surface and 3mm PVC edge. Made in the U.S.A.

*For use with Attenda Platform Beds.

Warranty

10 year limited replacement warranty

Maintenance

For routine and regular cleaning maintenance, Norix recommends the use of Simple Green® or an equivalent cleaning product.

Installation

Anchors required for permanently attaching to wall. Anchors not supplied by Norix. Headboard should be through-bolted to wall, exposing hardware.
