STRUCTURAL DURABILITY

Full Steel Seat Pan for Structural Durability

Affinity Seating

Affinity combines a metallic silver frame with hundreds of seat and back options. Available with or without arms, and optional upholstered or wood back, the chair makes a great companion to the broad assortment of Norix tables. Contrasting fabrics are available for an even more dynamic look. The elegant appearance of Affinity lends itself extremely well to lobbies, meeting spaces, and dining areas.

Designed to Last

Affinity embodies the assumed quality that separates Norix from other furniture providers. Features include hex bolt hardware, durable polyurethane arm caps, and nylon guides to help protect floor surfaces. Fully welded frame connection points provide a reliable foundation. Double-stitched cushions with hidden staples are field-replaceable to allow for easy maintenance and longevity.
