BEDROOM FURNITURE

HEALTHCARE BEDROOM FURNITURE

Innovation delivers performance

Numerous challenges face healthcare professionals in designing safe and healthy environments. Beyond durability, settings must remain safe from both intentional and unintentional injury. The furnishings must meet and exceed the cleaning standards set forth by each facility. Meanwhile, the environment can, and should, act as a therapeutic resource for patients and staff.

Norix behavioral healthcare solutions satisfy top priorities such as durability, cleanability, and safety while offering a warm, home-like environment. Varying protection levels are present throughout every bedroom series, while industry-leading lines such as Prodigy offer a home-like appearance second to none.

PATIENT ROOM

TABLES

HEALTHCARE TABLES

Strength, safety and extreme durability

Tables in healthcare facilities require more than just a steady surface. If not properly specified, intentional manipulation and uncommon wear can result in edge band tears, loose legs and splintering. Destruction of tables can risk the safety of staff and patients while also affecting cleaning and sanitation, Norix has a solution.

Norix tables offer maximum strength, safety and extreme durability. Select from a broad range of unique table collections. Most feature a unique high-pressure laminate top with pressure fused molded edge for safety and extreme durability. Where reliable performance is essential, table collections such as Max-Master, X-Base, and Oasis shine. Day rooms and dining halls are maximized for efficiency in capacity while maintaining safety and cleanliness.

TABLE COLLECTIONS

OASIS

BEHAVIORAL HEALTHCARE MATTRESSES

Mattresses to fit your institution's needs

Mattresses provide a unique challenge to facilities due to intensive use. Mattresses must endure users' full body weight for several hours a day or more, so comfort, respite and long term durability must be considered. Mattresses must tolerate bodily fluids, and the construction must allow for easy cleaning and sanitation.

Norix Remedy mattresses feature 100% sealed seams that are radio frequency welded and guaranteed not to break – for enhanced hygiene, security, and durability. ROI analysis shows that Norix mattresses provide substantial longevity over insubstantial alternatives. Choose Norix and minimize the cost and administrative effort of regularly replacing mattresses.
