

Match To Find Your Solution

Mix and Match any of our products for the best combination to suit your needs.

NORIX

The challenge is straightforward. Your environment demands heavy-use furniture that is built to withstand abuse, while creating a professional and clean, humanized environment.

Norix furniture lines work well together to create highly compatible arrangements to suit any environment.

Norix designed furniture is known worldwide for its blend of contemporary look and endurance. An elegant selection of furniture paired together can transform lobbies, waiting areas, activity rooms, dining areas, staff rooms and more.

Hundreds of upholstery options are available in different fabrics, grades and price points, allowing facilities to match the furniture to their space. Pair your seating with various tables and laminate options to create a virtually unlimited selection to complement the area.

Solid design is the foundation of Norix furniture. The blend of form and function create highly durable and aesthetically pleasing environments.

Affinity Seating

Affinity seating can rapidly adapt to changing environments without sacrificing an elegant and intimate appearance. Available with or without arms, and optional upholstered or wood back, the chair makes a great companion to the broad assortment of Norix tables. The stackable, versatile design lends itself well to lobbies, meeting spaces, and dining areas.

Multi-Purpose Tables

Multiple base colors and laminates make the Multi-Purpose Table from Norix a flexible solution for common areas. The decorative high-pressure laminate, embedded t-nuts and reinforced t-edge molding create an attractive commercial look without sacrificing durability. The Multi-Purpose table is ideal for a broad range of environments and accommodates many Norix seating options.

Vesta Seating

The Vesta chair collection provides a unique blend of ultra-safe design with beautiful curved surfaces and colors. The rotationally-molded polyethylene is easy to sanitize and provides superior durability.

Vesta's attractive residential appearance is an appropriate complement to any interior environment. Vesta is available in several colors and hundreds of upholstery options.

Forté™ Café Tables

The Norix Forté Table Collection includes both a Café and Occasional table. The Forté Café Table has a molded cylindrical hour glass base that pairs nicely with Forté™ Guest Chairs. Available as a one piece polymer table or with optional decorative laminate top. Engineered and proven suitable for daily use in demanding environments.

The Forté Occasional Table is a free-standing occasional table that can be optionally gained with lounge seating for intermediate or corner tables. Choose one of three base options, wood, steel or molded polymer and pair with your choice of molded polymer or laminate top with permanently affixed urethane edge.

Forté™ Seating

With a variety of colors to choose from and an upholstery option for seating, this series is made to humanize intensive-use environments. The Forte line includes a lounge chair and guest chair that come with or without arms. The modern design pairs well with Mix-Up Seating and Tables.

Mix-Up Seating/Tables

Mix-Up is a versatile line composed of five different-shaped products to produce endless configurations. This diverse series is perfect for waiting rooms, lobbies or any area where playful, attractive and durable furniture is applicable.

Terra Seating

Terra is a versatile seating series with a wide assortment of offerings and options that allow facilities to create highly customized configurations from one product line. That means no more endless searching for furniture that meets your specific needs. Hundreds of upholstery options in different fabrics, grades and price points. Secure hardware contributes to safety, security and tamper-resistance of the product. No exposed staples where upholstery is applied.

Tabla Tables

Tabla is a line of attractive accessory tables great for complementing multiple Norix seating options. Standard versions are accessibly priced with broad application while premium editions add a rotationally molded base and laminate top with molded edge for superior durability in demanding environments.

STANDARD 18" & 36"

RockSmart™ Seating

A contemporary rocking chair designed from the ground up for soothing comfort, exceptional durability and aesthetic appeal. Its signature one piece shape is sculpted from rotationally-molded polyethylene for a calming, safe and comfortable rock.

Wink Seating

Wink is an attractive and durable lounge chair sure to enliven your environment. Wink features a sturdy, one-piece rotationally molded polyethylene frame with a lightly textured surface that allows for easy cleaning. Steel to steel connections, wipe out spaces, and impact and fluid resistance make Wink an attractive and dependable lounge chair for demanding environments.

B-Side Seating/Side Tables

B-Side is an ideal companion to any of the Norix roto seating products. B-Side is durable, safe, easy to clean and a natural table or stool. Options available to ballast and bolt-down.
