### Options

Available in California TB133 compliant upholstery

### Assembly

None required

### Fabrication & Material

Frame: The Element Series features a durable wood frame with steel-to-steel connections for strong and robust finish.

Cushions: Constructed of a 2.7 lb flexible polyurethane foam wrapped in fabric for comfort, ideal for high traffic areas and suitable for health care applications.

Arm Panel: Urethane arm caps extend over top surface, are pick and pry resistant and secured with a steel-to-steel connection.

### Installation

None required

### Warranty

10 year limited replacement warranty

### Maintenance

Arm caps are easily cleaned with a damp cloth and a mild soap solution. Refer to upholstery manufacturer's cleaning instructions for specific fabrics.

## TESTING
