

ELEMENT™ SERIES

2 0 2 1

ENGINEERED TO ENDURE®

NORIX®

CLEANABILITY

Clean Out between seat and back allows dirt and debris to fall to the ground rather than gather in chair.

PICK RESISTANCE

Specially formulated, pick and pry resistant arm cap attached to frame with steel-to-steel connections.

STRENGTH & DURABILITY

Frame is made of heavy duty milled wood for strength and durability.

DESIGN OPTIONS

Option to choose different fabric for the seat and back. Upholstery available in a variety of patterns and grades & TB133 upgradable.

FLOOR PROTECTION

Injection molded nylon feet are engineered for strength and to protect floors.

Element™ Seating

Element™ pairs upholstered seating down to the essentials. It is a robust, value driven product for environments that prefer attractive, durable furniture with essential core features, but do not require a wide array of options.

Element™ will add to or create an aesthetic appeal in dayrooms, lounges, lobbies or other areas in your facility where you need attractive furniture. Additionally, the series was designed to last and is appropriate for constant-use environments in facilities that see lots of traffic.
