

# Protégé™ Bunkable Bed

## Fabrication & Material

Fully welded 18 gauge steel end frames bolt to 14 gauge welded mattress deck with 24 gauge tubular steel cross-rods with tamper resistant hex fasteners. Durable plastic (polyethylene) caps secure the end frame tube tops and bottoms while protecting floors and can be removed for easy bunking. Floor brackets and hardware for bolt-down is included. Powder coated steel finish.

## Warranty

3 year limited replacement warranty.

## Maintenance

**Bed:** Norix recommends the use of soap and water for both the regular cleaning maintenance and deep-scrub cleaning of powder coated steel.  
**Optional Decorative Laminate Headboard:** Norix recommends the use of Simple Green® or an equivalent cleaning product.  
Norix recommends inspecting fasteners after each use of the restraints, along with regular monthly inspections. Bolt-down fasteners should be tight with no play between the bolt-down bracket and the floor.

## Performance Test Standards

- Tested to 600 lbs (272.2 kg) static load.

## Environmental Test Standards

- GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.

Model	PROT100
Weight	88 lbs / 40 kg

Dimensions	in	cm
Height	34.9"	88.6
Width	39.5"	100.3
Length	86.5"	219.7

**Mattress Size**  
36"x80" (91.4x203.2 cm)
