Width	39.5"	100.3
Length	86.5"	219.7

## Mattress Size

36"x80" (91.4x203.2 cm)

## Finishes

See Design Guide for finish options.

## Options

- Adjustable Glide Kit
- Headboard

*\*Can be used as a footboard.*

- Bunk Extension Kit

*Includes: Extenders and longer ladder.*

## Assembly

Ships knock down (KD) in 3 cartons.  
See assembly instructions for details.

*\*Intended for indoor use only*

## Fabrication & Material

Fully welded 18 gauge steel end frames bolt to 14 gauge welded mattress deck with 24 gauge tubular steel cross-rods with tamper resistant hex fasteners. Durable plastic (polyethylene) caps secure the end frame tube tops and bottoms while protecting floors and can be removed for easy bunking. Floor brackets and hardware for bolt-down is included. Powder coated steel finish. Included fixed ladder and safety rails for each side of top sleep surface.

## Warranty

3 year limited replacement warranty.

## Maintenance

**Bed:** Norix recommends the use of soap and water for both the regular cleaning maintenance and deep-scrub cleaning of powder coated steel.

**Optional Decorative Laminate Headboard:** Norix recommends the use of Simple Green® or an equivalent cleaning product.

Norix recommends inspecting fasteners after each use of the restraints, along with regular monthly inspections. Bolt-down fasteners should be tight with no play between the bolt-down bracket and the floor.

## Performance Test Standards

- Tested to 600 lb (272.2 kg) static load.

## Environmental Test Standards

- GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.
