# Prodigy® Bedroom Series

Crafted in a specially formulated polymer with proprietary innovations to deliver superior durability, maintenance free cleanability and humanizing aesthetic appeal. Each piece is uniquely fashioned with specialized TruGrain™ polymer to replicate natural wood and deliver a residential, non-institutional appearance.

## Nightstand

The Prodigy® Nightstand is the perfect complement to the Panel Bed. Smaller top cubby keeps essentials within easy reach; bottom cubby holds larger items. Includes all anchoring hardware for floor mounting and optional non-removable floor guide kit for a free-standing alternative.

## Desk

Classic table desk with modesty panel. Attractive inset panel design allows for placement flush against wall or in corners.

## Panel Bed

Anti-ligature bed with inset panel design aesthetic creates a "classic" residential look yet allows placement flush against wall or in corners. Raised lip on bed deck with grooved sleep surface for fluid management. Select free-standing version with fully closed bottom or floor-anchor model (all anchoring hardware included.) Optional restraint rings.

## Open Chest

Ideal anti-ligature solution - storage for larger items with no doors, drawers or hinges. Includes all anchoring hardware for floor mounting and optional non-removable floor guide kit for a free-standing alternative.

## Wardrobe

Prodigy® Wardrobe provides ample storage space with or without a swinging privacy door. The optional door comes with a locking mechanism and 270° continuous piano hinge that offers privacy and folds flat to the side of the unit. Hidden hardware secures Prodigy® wardrobe to the floor and wall.

### Therapeutically Attractive

Attractive wood grain appearance to enhance the calming familiarity of a home-like environment.

### Designed for Safety

Superior to wood in infection-control and ligature, fluid, tamper, infestation and contraband resistance. Concealed anchoring.

### Durable

Structurally reinforced for superior durability, impact resistance and security.

### Maintenance-Free

Seamless one-piece construction delivers unmatched cleanability and long-term, maintenance-free performance.

### Environmentally Responsible

Recyclable polymer is made responsibly with recycled content.
