Progress Seating

The Progress Chair is a passive ergonomic stackable chair with a live hinge molded into the backrest. This commercial chair is designed to supply a high level of back comfort in both upright and relaxed sitting positions. With or without upholstery, the Progress chair looks good in any environment. Pick from four seat and back colors or 8 fabric grades to go with black legs and you have an attractive combination to accent a training room, a classroom, a lobby or an office.

Seat Colors

Wild Berry

Lagoon

River Rock

Raven

Leg Color

Black

Due to differences in monitors, printers and materials, actual product colors may vary. Color chips are available for more accurate depiction of color.

Strength of Steel & Comfort

In addition to having a comfortable leg, seat and back angle, Progress has an ergonomically designed back with a living hinge to provide the flexibility required for long term comfort in seminars, waiting rooms or classroom sessions.

Function

The simple impressive design of Progress means no nuts, bolts, welds or rivets. Easy stacking for those times when you want more floor space.

AT NORIX, WE DESIGN INNOVATIVE, ROBUST FURNITURE THAT MEETS THE REAL-WORLD NEED FOR HUMANIZING CHALLENGING ENVIRONMENTS.

Individual attributes vary by product. See specification sheet for details.
