**Model**

RA16

Weight

49 lbs

*Intended for indoor use only

Dimensions

Seat Height 17.5"

Seat Width 20.5"

Overall Height 41.4"

Depth 40.2"

Width 25.5"

DETAILS

Finishes

See Design Guide for finish options.

*Due to differences in monitors, printers and materials, actual product colors may vary. Color chips are available for more accurate depiction of color.

Options

Heavier weight version available.

Assembly

None required

Installation

None required

Patents

This product may be covered by US Patent 10,537,179 B2 and Patents Pending.

Fabrication & Material

One-piece, rotationally-molded, specially formulated, high-impact polyethylene with ultraviolet light stabilizers (to reduce fading). Chemically resistant to blood, vinegar, urine, feces, salt solution and chlorine solution. Premium TruColor™ polymer is fully compounded for superior color consistency and durability. Generous arc provides a relaxing and safe rocking action while securely affixed nylon runners protect floors. Rear bumper indicates the limits of safe rocking. Anti-ligature design with no internal openings. Made in the U.S.A.

Warranty

10 year limited replacement warranty. The RockSmart® Rocker was designed to provide therapeutic rocking action. Nylon bumpers on the rear of the chair establish a stopping point to deter backward tipping. However, rocking aggressively may cause the chair to tip over. Do not stand on the RockSmart® chair.

Maintenance

For routine and regular cleaning maintenance, Norix® recommends the use of Simple Green® or an equivalent cleaning product. This product is bleach/water solution cleanable and suitable for use with hospital-grade disinfectants (such as Virex®, Wexcide® or Oxivir Five 16®) per manufacturers' instructions.

TESTING

Performance Test Standards:

- Tested to 500 lb static load
- Product dynamic drop tested to a relative impact force of two times BIFMA 5.4 15.4.2 (250 lbs from 18")

Environmental Test Standards

- GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.
- Compliant with Healthier Hospitals guidelines

Flammability Test Standards:

Compliant with the following flammability standards:

- State of California, Technical Bulletin No. 133, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- State of California, Technical Bulletin No. 117, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- UL1056 Fire Test of Upholstered Furniture
- ASTM E1537 Test method for Fire Testing of Real Scale Upholstered Furniture Items
- UL94 HB Test for Flammability of Plastic Materials
- NFPA 261 Cigarette Ignition Resistance of Upholstered Furniture
