NORIX®

Comfort Shield® Remedy Mattresses

Norix Blue

Sealed Seam Mattress

Shown with Prodigy™ Bed

Norix Blue is a durable mattress with infection control features that make it suitable for daily use in critical environments. It features 100% sealed seams for unsurpassed seam strength and a durable polyurethane coated cover. Day in, day out, Norix Blue will perform well above your expectations.

Silver Secure

Sealed Seam Mattress

Shown with Attenda® Sleigh Bed
(Mattress ships economically with bed)

Silver Secure is the perfect mattress for those facilities needing more durability and infection control than what is found in your typical healthcare mattress. It's constructed with a durable polyurethane-coated cover with reinforcing ripstop scrim, along with enhanced break strength for added security. An applicable product for the intensive-use found in healthcare environments.

Silver Secure

Black Max

Sealed & Stitched Seam Mattress

Shown with Attenda® Floor Mount Bed

Black Max is our most durable mattress and is suitable for the most extreme-use spaces in your facility. That's because the mattress is constructed with 100% sealed seams that are reinforced with maximum security stitching for unsurpassed seam strength. It's also constructed with an extremely impervious, polyurethane coated cover with reinforcing ripstop scrim. All of this makes Black Max highly durable and resistant to constant-use, bodily fluids, bed bugs and other challenges you may find in healthcare settings.

Black Max

Remedy Pillows

Sealed Seam

The Comfort Shield® Remedy Pillows have polyester batting encased in a fire-retardant, polyurethane coated cover with radio frequency welded seams for enhanced hygiene, security and durability. These institutional dorm pillows are fluid, crack, peel, abrasion and bed bug resistant, anti-microbial and anti-fungal. They provide a virus barrier and are resistant to delaminating for greater infection control. The pillow features two breathable vents that repel oil, water, blood, urine and other fluids. The batting is made of non-hazardous materials.

Norix Blue

Silver Secure

Remedy Series mattresses feature 100% sealed seams that are radio frequency welded and guaranteed not to break – for enhanced hygiene, security and durability.

Norix Blue Wedge

Sealed Seam Mattress

Sloped construction for Acid Reflux and GERDs relief. Comfortable polyurethane foam core is encased in a fire retardant polyurethane coated cover with radio frequency welded seams for enhanced hygiene, security and durability. Mattress is fluid, crack, peel, abrasion and bed bug resistant, anti-microbial, and anti-fungal. Provides a virus barrier and is resistant to delaminating for greater infection control. Features a breathable vent that repels oil, water, blood, urine and other fluids.

Infection Control

At Norix, infection control is top of mind every time we develop a new product. After all, Norix furniture is in behavioral healthcare facilities, correctional spaces, shelter environments, and other places that historically transfer sickness and disease regularly if proper protocols and equipment are not in place.

Norix products are built with durability in mind including the ability to easily clean and sanitize.

AT NORIX, WE DESIGN INNOVATIVE, ROBUST FURNITURE
THAT MEETS THE REAL-WORLD NEED FOR HUMANIZING
CHALLENGING ENVIRONMENTS.

Individual attributes vary by product. See specification sheet for details.
