*WALL MOUNT ASSEMBLY INFORMATION
Wall Mount Assembly must be securely anchored
to supporting wall to function properly.
Face must be flush in all cases. For different wall
types follow these guidelines.

1.) In hollow walls - Ensure secure structural
reinforcement when mounting Wall Mount
Assembly.
2.) In concrete walls - Install at pre-determined
location and pour in place.
3.) In concrete block walls - Build Wall Mount
Assembly into wall and grout into place.
