**Fabrication & Material**

One-piece, rotationally-molded, specially formulated, high-impact polyethylene with ultraviolet light stabilizers (to reduce fading). Chemically resistant to blood, vinegar, urine, feces, salt solution and chlorine solution. Premium TruColor™ polymer is fully compounded for superior color consistency and durability. Generous arc provides a relaxing and safe rocking action while securely affixed nylon runners protect floors. Rear bumper indicates the limits of safe rocking. Anti-ligature design with no internal openings. Made in the U.S.A.

**Warranty**

10 year limited replacement warranty. The RockSmart™ Rocker was designed to provide therapeutic rocking action. Nylon bumpers on the rear of the chair establish a stopping point to deter backward tipping. However, rocking aggressively may cause the chair to tip over. Do not stand on the RockSmart™ chair.

**Maintenance**

For routine and regular cleaning maintenance, Norix recommends the use of Simple Green® or an equivalent cleaning product. For the deep-scrub cleaning of tougher stains, marks and debris, we recommend the use of Clorox® Clean-Up® Cleaner + Bleach or an equivalent cleaning solution.
