## GOBY® Seating Series

Safely utilize your outdoor spaces with Norix® outdoors. Recent shifts in how we think about the benefits of open-air environments have shifted administrators to consider how they can take advantage of nature for mental health and well-being. As a result, Norix® researchers have developed a modern outdoor furniture collection. Goby® is a one-piece roto-molded chair secure in design and appealing for a unique outdoor experience. The curved design aids in helping to create a zen-like environment for relaxation, meditation, creative thought, and collaboration.

## Simply Surprising

Kube is deceptively simple in appearance but packed with features. For example, the easy-to-clean exterior withstands bleach cleaners, the legs feature removable glides, and each piece can be ganged together, ballasted, or bolted down. Kube is GREENGUARD Gold certified and compliant with the Healthier Hospitals guidelines for low emissions.
