ATTENDA® SERIES

The Attenda® Collection is designed to provide the strength, safety, and cleanability required for institutional living's daily rigors — in a sleek, contemporary look. The key to Attenda's strength and durability is its advanced construction. Molded-in specially formulated, high-impact, fire-retardant polyethylene, each Attenda product is structurally enhanced for increased strength and durability.

CHALLENGING ENVIRONMENTS.**

Norix is not just a corporation, we're a family. We care about the people we serve, our community and our team.

We create contemporary designs that humanize our industry without sacrificing robust structural integrity.

Our products are built with the wellbeing of the people who use the furniture in mind, as well as the people around them.
