X-BASE

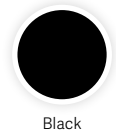

Years ago, we were challenged to design an institutional-grade table that defined each person's space and hindered the passing of contraband from one individual to another on the opposite side. Our answer was the popular, rugged X-Base Table with its unique "X" base design. Today, the X-Base Table is used in high-security and special needs facilities all across the country.

LEG STYLE

When you start with 4" diameter 14 gauge tubular steel legs fully welded to 1/4" steel mounting plates, you end up with an incredibly strong, stable and durable table. The legs are joined to the top using tamper-resistant screws connected to embedded T-nuts, for a secure steel-to-steel connection. Optional 2 1/2" legs provide an attractive residential alternative. Legs are solid as a rock. The Leg Style Table won't wobble or tip. Lean on it with all your weight. That's peace of mind.

MATTRESSES

Custody® Sealed Seam Mattresses feature 100% sealed seams that are radio frequency welded and guaranteed not to break – for enhanced hygiene, security and durability.

CUSTODY NORIX BLUE

Color

Norix Blue

Sealed Seam

Norix Blue is a durable mattress with infection control features that make it suitable for daily use in critical environments. It features 100% sealed seams for unsurpassed seam strength and a durable polyurethane coated cover. Day in, day out, Norix Blue will perform well above your expectations.

CUSTODY SILVER SECURE

Color

Silver

Ripstop,
Sealed Seam

Silver Secure is the perfect mattress for those facilities needing more durability and security than what is found in your typical corrections mattress. It is constructed with a durable polyurethane-coated cover with reinforcing ripstop scrim, along with enhanced break strength for added security. An applicable product for the intensive-use found in correctional environments.

CUSTODY BLACK MAX

Color

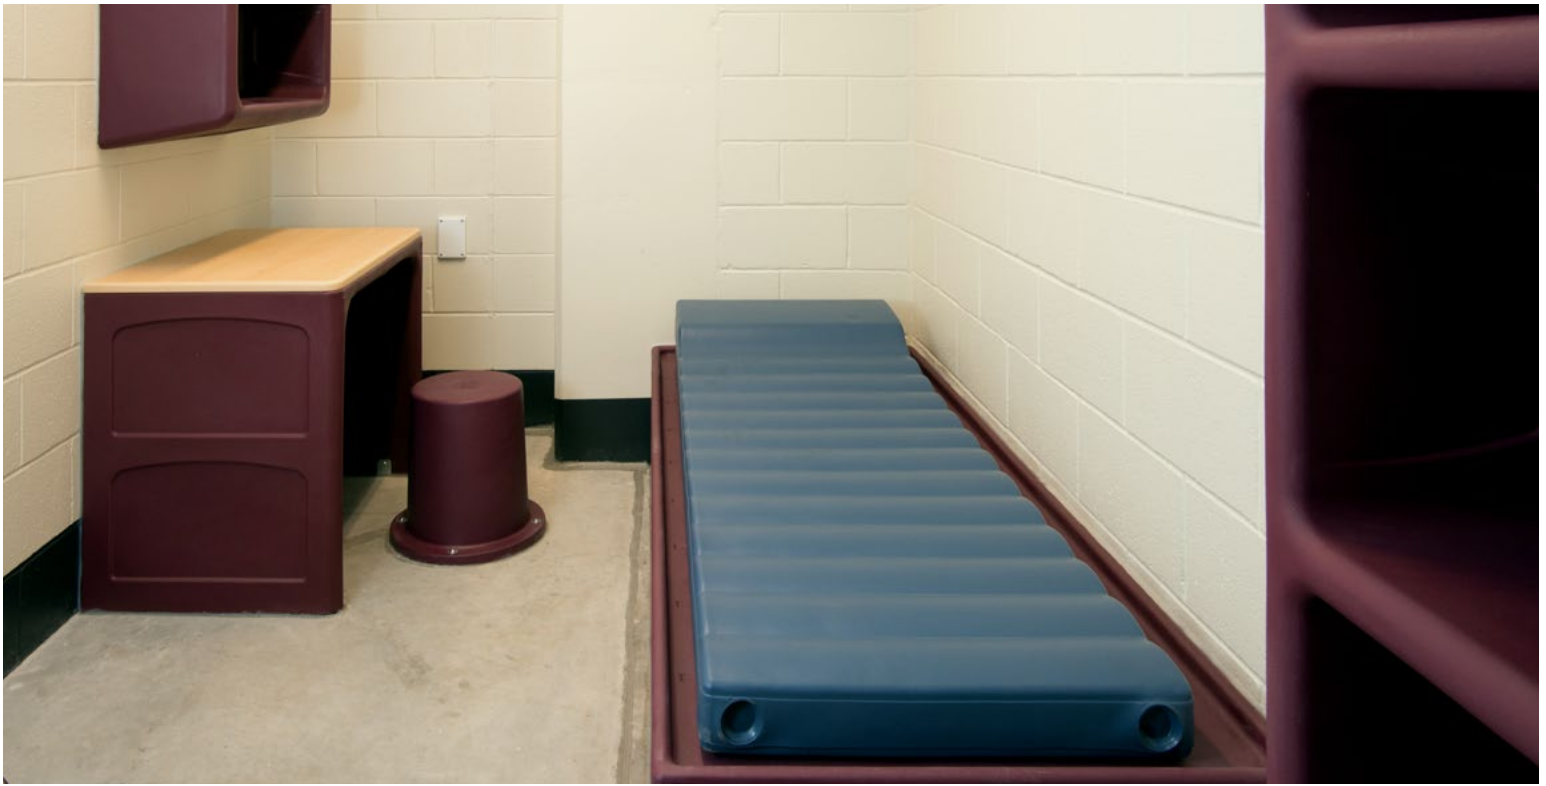

Black

Ripstop, Sealed,
Stitched Seam

Black Max is a highly durable mattress and is suitable for the most extreme use spaces in your facility. That's because the mattress is constructed with 100% sealed seams that are reinforced with maximum security stitching for unsurpassed seam strength. It's also constructed with an extremely impervious, polyurethane coated cover with reinforcing ripstop scrim. All of this makes Black Max highly resistant to constant-use, bodily fluids, bed bugs and other challenges you may find in correctional setting.

CUSTODY NORIX CLEAR

Color

Clear

Sealed Seam

Custody Clear Sealed Seam Mattress is polyurethane coated and sealed with radio frequency welding. The translucent design reduces the capability for contraband storage, and the sealed seams prevent bed-bugs and bodily fluid absorption for greater infection control. The unique air string core and upgraded polyurethane coated polyester cover create long-lasting durability well beyond the standard correctional mattress.

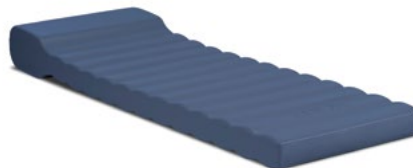

CUSTODY MARATHON

Color

Slate

Our Marathon mattress is the most durable correctional mattress on the market and can stand up to the most extreme spaces in your facility. Truly innovative, the product has a seamless exterior that is rotationally-molded in one-piece, not sewn or stitched. The rotationally-molded vinyl skin is 200 mm thick and is filled with soft polyurethane foam for comfort. An integrated double-sided pillow adds safety and security while the heavy weight of the product deters it being used as a barrier or weapon. Non-absorbent and fluid resistant. No seams for bedbugs to invade. Like its name implies, Marathon goes the distance.

ATTENDA®

Correctional professionals have long recognized that traditional furniture is completely unsuitable for their critical environments. The Attenda® Series is designed to provide the strength, safety and cleanability required for the daily rigors of institutional living — in a sleek, contemporary look. The key to Attenda's strength and durability is its advanced construction. Molded-in specially formulated, high-impact, polyethylene, each Attenda® product is structurally enhanced for increased strength and durability.

DETENTION FURNITURE

Ironman® Steel Bunks

Single bunks, Double bunks, Floor-mount or wall-mount. Fully welded or bolt-together with tamper-resistant hardware. With or without attached slide rails for the exclusive Norix® property boxes. Constructed for quality and reliability. Not built down to meet a low price.

Citadel Property Storage

Next generation product from Norix®, industry leader in detention-grade furnishings and equipment. Rounded edges for enhanced safety, security and structural integrity.

Tank Box Property Storage

Specially formulated structural plastic, pound for pound, twice as rigid as steel. Resistant to impact, stains and scratches. Won't rust. Passes CAL TB 133. One-piece, injection-molded, maintenance free construction.

Cuff Bench

Floor mount steel benches with cuff rings for transit and intake areas.

Floor-Mount Stool

The Ironman® Floor Mount Stool provides unsurpassed durability with 11 gauge tubular steel and 1/4" thick steel mounting plates. Seats are available in Super Slammer Stone® or stainless steel to match other Norix® cell furniture.

ACCESSORIES/WASHROOM

Pistol Locker

Keep your officers' pistols in a locked steel cabinet. Monitor the cabinet if you want to, but the solid construction will convince you that supervision is an option.

Speaker Port

6" diameter cast stainless steel port provides natural voice transmission. Level III bullet-resistant.

Package Pass

The stainless steel Package Pass has interconnected doors that operate like a sally port. One door must be closed before the other can be opened. Vision panel in rear door allows operator to view contents of the unit.

Pass Hopper

Cut, formed and welded stainless steel assembled to fit countertop, window or wall openings. Steel and stainless steel on exposed surfaces. #4 finish stainless steel.

Ball Clothes Hooks

Single collapsible safety hooks or groups of four with optional 8" deep x 18" long bookshelf. Ball and stem style in stainless only.

Towel Hooks

Holds towels or clothing articles safely without the use of protruding pegs or hooks. The surface mounted towel hooks come in stainless steel. Choose from a single towel hook or groups of four.

ADA Shower Seat

Stainless steel detention-grade recessed shower seat. ADA version meets ADA 4.21.3 & 4.26.3 requirements for L-Shape Shower Seats.

Security Grab Bars

The Security Grab Bar has a safety gap-filler between the round tube bar and the wall. Styles in stainless steel. Standard sizes in 18", 24", 36", 42" and 48". "L" shape bar also available.

Toilet Paper Holder

Front mount toilet paper holder is available in easy-to-clean stainless steel.

Wall Mirrors

One-piece #430 stainless steel. Highly polished #8 finish. Three standard sizes including ADA (11.3"x9.5", 17.3"x11.3", 38"x11.3"). Mount direct to wall or with an optional 1/4" thick steel backer plate. Optional embed plate also available.

Recessed Shelf

No sharp corners or edges protruding from the wall to inflict injury. The chase-mounted recessed shelf comes in easy-to-clean stainless steel.

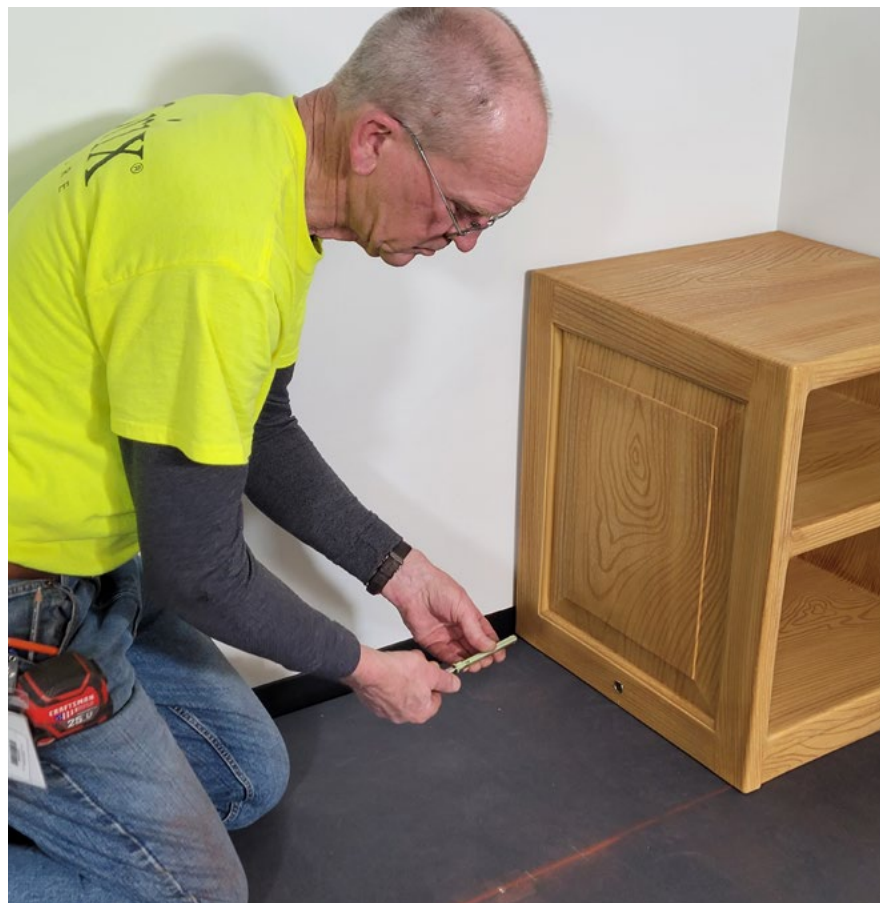

INSTALLATION SERVICES

Norix® correctional furniture is safe, secure and built to last. Our furniture also provides outstanding long-term value and peace of mind for your staff. For facilities not using contractors or consultants, it makes sense to reinforce the benefits of the furniture with a installation from Norix®.

Benefits of Installation Services:

- Expert installation services, performed by professionals experienced in all facility installations.
- Complex installation capabilities, including field drilling into concrete, secure bolt-down and application of security caulk.
- All labor, installation hardware and materials included.
- Seamless transaction on same purchase order as furniture.
- Reinforces product warranty.

AT NORIX, WE DESIGN INNOVATIVE,
ROBUST FURNITURE THAT MEETS THE
REAL-WORLD NEED FOR HUMANIZING
CHALLENGING ENVIRONMENTS.
