LEG STYLE

When you start with 4" diameter 14 gauge tubular steel legs fully welded to 1/4" steel mounting plates, you end up with an incredibly strong, stable and durable table. The legs are joined to the top using tamper-resistant screws connected to embedded T-nuts, for a secure steel-to-steel connection. Optional 2 1/2" legs provide an attractive residential alternative. Legs are solid as a rock. The Leg Style Table won't wobble or tip. Lean on it with all your weight. That's peace of mind.
