ENGINEERED TO ENDURE[®]

NORIX[®]

Titan® Bedroom Series

Looking for residential furniture that can endure years of intensive-use in your facility's demanding environment? Look no further than the Titan® Series from Norix® – a complete line of steel case goods that combines functional versatility with the institutional durability of all-steel construction.

The Strength of Steel, with Wood Grained Style

Titan® chests, nightstands and desks come standard with institutional grade, high-pressure laminate top surfaces. Want a more residential look for your rooms? Drawer fronts can also be accented with an optional matching laminate.

Our HPL tops and drawer fronts are attached with steel to steel connections for strength and durability. Coordinate the residential look with the same laminate on the doors of a wardrobe and headboards for a bed.

Steel: The Value Choice

There's no substitute for the strength, safety and durability of steel furniture, and Titan® has emerged as the product of choice in institutional settings. Why? Because Titan® was designed to perform in the most challenging environments.

Titan® is an ideal choice to replace problem wooden furniture -- its all steel construction delivers maximum strength, institutional durability, and peace of mind. Titan® products are heavy...and heavy duty. You don't have to worry that they'll be invaded by bedbugs, picked apart, or broken through intensive-use. Steel stands the test of time, and provides the best value option. Day in and day out – year after year – Titan® delivers worry-free performance.

Engineered for Safety and Built to Last

Titan® products offer built-in safety and security features you expect from Norix®. All steel construction ensures that Titan® products will stand up to the demands of your challenging environment. Titan® products feature a 10-year limited replacement warranty for materials and workmanship.

- Rounded edges for safety and long-term durability.
- Drawers feature an integrated hasp mechanism that locks all drawers and accepts a padlock.
- 5-side steel drawer box for strength and rigidity. Drawer glides are welded to drawer body – with no moving parts to break or wear out. Non-removable drawers are standard.
- Wardrobes feature 5-knuckle hinges welded to cabinet frame for strength and durability.

A Titan® Bed for Every Need

The Titan® series features a wide array of beds, for every residential need. Panel base beds are available with or without drawers. The same panel base bed can be fitted with bunkable end frames. Perhaps you need a simple frame-style bed that can accommodate a two drawer chest beneath the bed deck. All Titan® beds fit mattresses 36"W x 80"L, additional sizes vary by model.

Optional headboards and footboards add a touch of wood-grained style, with institutional durability. Further accent the bed with matching laminate drawer fronts. Pick the bed that's right for you, and select from a variety of options.

Panel Base Bed

With steel deck and adjustable floor leveler glides.

Model: TNT1141

Overall Dimensions: 38"W x 82"L x 11"H
