MATTRESSES

Dorm Mattresses

The Comfort Shield® Dorm Mattress are institutional-grade with anti-microbial nylon covers and anti-crevice inverted seams. These dorm mattresses are available in two grade levels: economy Foam Core construction and a Dual Comfort Foam Encased Innerspring construction. Comfort Shield® Sewn Seam Mattresses carry a 3 year limited warranty, and comply with current flammability test standards.

Features That Matter - Sewn Seam Foam Mattress

Robust Comfort

A soft, 210 Denier Oxford Nylon mattress cover delivers an ideal combination of comfort and durability without the risk of cracking over time.

Easy Cleanability

Bleach solutions and hospital-grade cleaners can safely be used for sanitation without affecting the surface material or color.

Extended Warranty

A 3-year limited prorated warranty protects against material and workmanship failures.

Fire-Retardant

The polyurethane foam core and polyurethane coated cover are fire-retardant, offering enhanced safety and peace of mind for residents and staff.

Fluid Resistant

The inverted sewn seam and non-absorbent, polyurethane coated cover combine to resist bodily fluids, cleaning solutions and a wide variety of other liquids that your facility may encounter.

GreenGuard Gold Certified

The highest level of GreenGuard Certification, this product meets strict health-based criteria for VOC emissions and total chemical emissions.

Inverted Sewn Seam

The anti-crevice inverted seam uses FR Kevlar® thread for added strength and long-term durability.

No Minimums

There are no minimum quantity requirements for all standard Norix mattresses, promoting a worry-free ordering process.
