Oasis[®]

TABLE SERIES

Oasis[®] Series

If your environment demands a more robust solution for cluster seating, your search is over. This Norix[®] cafeteria seating collection will meet your needs. Oasis[®] tables, with fixed or swivel seats, are designed and engineered specifically for dayrooms, dining halls, and visitation areas—perfect for situations where users need more back support than traditional stools provide.

Cafeteria Table
30" x 48"

ADA Table
30" x 72"

Features That Matter

Secure Molded Edge

The molded edge is radiused for comfort and pressure fused to the extra strength top, making it permanently fixed, highly sanitary and pick resistant

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff.

Contraband Resistant

Specifically designed without any creases or nooks to mitigate the ability to hide contraband.

Easy Cleanability

Bleach solutions and hospital-grade cleaners can safely be used for sanitation without effecting the surface material or color.

Non-Removable Glides

Non-removable, steel encased floor glides protect the floor from scratching without risking the safety of residents and staff.

Tamper Resistant

The base and top are securely attached with a fully welded steel plate and reinforced gussets, while each seat features molded-in threaded steel inserts attached to a reinforced seat support plate to create a tamper resistant, steel-to-steel connection.

Bolt-Down Capability

For additional security, this table can be anchored to the floor with an optional bolt-down kit.

Superior Seating

The ergonomic, one-piece, rotationally molded seating is non-absorbent, easy to clean and highly durable.
