Features That Matter - Toro Chair

TruGrain™ Technology

Our premium TruGrain™ technology mimics the warm, traditional look of natural wood while delivering the superior performance of polymer.

Ballastable

Ballasting offers additional security by adding weight, reducing the risk of moving or throwing the chair.

Tamper Resistant

The base of the chair is fastened with Torx secure hardware that is specially engineered to eliminate exposed edges and mitigate any opportunity for tampering.

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

Non-Removable Glides

Non-removable, steel encased floor glides protect the floor from scratching without risking the safety of residents and staff.

Recycled Content

Recovered materials have been repurposed to create this product.

Concealed Staples

The upholstery is double stitched with concealed staples for additional durability and for the safety of residents and staff.

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff – even when positioned in unsupervised spaces.

Easy Cleanability

For routine and regular cleaning, Norix® recommends the use of Simple Green® or an equivalent cleaning product with a soft damp cloth. TruGrain™ products are suitable for use with hospital-grade disinfectants (such as Virex®, Wexcide® or Oxivir Five 16®) per manufacturers' instructions.
