*\*Available in bed without drawers or choose from steel and laminate drawer fronts.*

## Features That Matter

### Maximum Strength

Heavy duty, all steel construction delivers superior strength and institutional durability.

### Steel-to-Steel Connections

Threaded inserts are utilized to deliver a steel-to-steel connection on tops, drawer fronts and doors.

### Highly Customizable

A wide range of options, such as laminate accents, built-in drawers, lift deck storage, panel bases, bunkable frames and a variety of finish options make it easy to customize each piece to meet the unique needs of any environment.

# Chests, Desks & Nightstands

---

All chests, desks and nightstands in the Titan® Series come standard with institutional grade high-pressure laminate top surfaces, securely attached with steel-to-steel connections for maximum strength and durability. The steel reinforced drawer fronts can be accented with an optional matching wood-grain style laminate to support a warm, residential look.

*\*Available in steel and laminate drawers.*

## Features that Matter - Chests, Desks & Nightstands

### **Rounded Edges**

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

### **Easy Cleaning**

Large toe kick bases allow for easy cleaning.

### **Durable Drawers**

Steel reinforced institutional drawer fronts provide a unique look while enhancing overall durability.

### **Non-Removable Drawer Glides**

Drawer glides are welded on the drawer, eliminating the need for screws and loose parts.

### **Superior Strength**

Drawer bodies are made with 18-gauge steel for superior strength and unmatched durability.

# Wardrobes

---

The Titan® Series includes both single and double door wardrobe options to suit the needs of your space. Both wardrobes are engineered with 20-gauge steel door panels and robust 5-knuckle hinges welded to the frame to offer enhanced strength and durability. Available with optional steel reinforced, wood-grain style laminate doors.

**Double Wardrobe\***  
Laminate Doors

*\*Available in steel and laminate door fronts.*

## Features that Matter - Wardrobes

### **Rounded Edges**

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

### **Easy Cleaning**

Large toe kick bases allow for easy cleaning.

### **Durable Drawers**

Steel reinforced institutional drawer fronts provide a unique look while enhancing overall durability.

### **Non-Removable Drawer Glides**

Drawer glides are welded on the drawer, eliminating the need for screws and loose parts.

### **Superior Strength**

Drawer bodies are made with 18-gauge steel for superior strength and unmatched durability.

# Multi-Purpose Unit

---

The Titan® Multi-Purpose Unit is a highly robust, space-saving storage option complete with a pull-out desk, three pull-out drawers and a movable shelf that can be adjusted to satisfy user preferences. Each unit can be customized to include an optional power supply, LED light, mirror, towel hook and steel reinforced, wood-grain style laminate doors.

**Multi-Purpose Unit\***  
Laminate Door

---

*\*Available in steel and laminate door & drawer fronts.*

## Features that Matter - Multi-Purpose Unit

### Ergonomic Drawer Pulls

Integrated ergonomic drawer pulls eliminate the need for handles – a potential point of failure and a common issue in long-term durability.

### Movable Shelf

The inside shelf can be adjusted to 8 different positions, depending on user preference, using a side rail system.

### Optional Accessories

This unit can be modified with optional accessories, including a power supply, an LED light, a towel hook and a safety mirror.

### Space-Saving Desk

The pull-out desk optimizes space utilization, facilitates a more streamlined layout and eliminates the need for stand-alone desk units.

### Strength of Steel

The heavy-duty, all-steel construction is engineered to withstand the rigors of challenging environments, ensuring a safe, secure environment for residents and staff.

### Tamper Resistant

Fully welded joints, non-removable drawers and the use of security hardware mitigates tampering risks.

### Wood-Grain Accents

Optional wood-grain style, institutional-grade laminate accents offer a warm, homelike feel without sacrificing cleanability or long-term durability.
