

Arcadian

Platform Bed

Model ARC100
Weight 116 lbs / 52.6 kg

Dimensions	in	cm
Overall Length	82"	208.3
Overall Width	38"	97
Height	16.9"	43
Bed Deck Length	80"	203.2
Bed Deck Width	36"	91.4

Note: Dimensional tolerances are +1% due to manufacturing process.

Mattress Size

36"x80" (91.4x203.3 cm)

Finishes

See Design Guide for finish options.

Options

- Removable Restraint Ring Kit

Assembly

None required.

**Intended for indoor use only*

Fabrication & Material

Rotationally molded high impact polyethylene is specially formulated for superior durability and impact resistance. The seamless, one-piece construction is ligature resistant and has no internal openings for added safety and security. An inverted, internal rib structure supports overall strength and allows for minimal surface movement. Raised outer edges keep fluids contained and a gently crowned top allows fluids to drain towards the corners. Chemically resistant to blood, vinegar, urine, feces, salt solution and chlorine solution. Made in the U.S.A.

Warranty

Lifetime warranty.

Maintenance

For routine and regular cleaning maintenance, Norix recommends the use of Simple Green® or an equivalent cleaning product. Arcadian products are bleach/ water solution cleanable and suitable for use with hospital-grade disinfectants (such as Virex®, Wexcide® or Oxivir Five 16®) per manufacturers' instructions. Norix recommends inspecting fasteners after each use of the restraints, along with regular monthly inspections. Bolt-down fasteners should be tight with no gaps larger than 1/16" (0.4 cm) between the bottom of the bed and the floor. There should be no visible cracks in the caulk.

Installation

Bolt-down kit required for floor anchoring. Proprietary anchoring system with concealed hardware intended for concrete floors and/or walls. (Please consult contractor or facility management as necessary.) Security caulk may be applied to the perimeter after anchoring.

Performance Test Standards

- Product tested to 1,500 lbs (680.4 kg) static load.

Environmental Test Standards

- GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818. UL.COM/GG.

Flammability Test Standards

- State of California, Technical Bulletin No. 133, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- State of California, Technical Bulletin No. 117, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- State of California, Technical Bulletin No. 116, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- ASTM E1537 Test Method for Fire testing of Real Scale Upholstered Furniture Items
- NFPA 261 Cigarette Ignition Resistance of Upholstered Furniture
