VestaTM

SEATING SERIES

Vesta™ Series

The Vesta™ seating collection provides a unique blend of ultra-safe design with beautiful curved surfaces and colors. The sweeping form fully contacts the floor to mitigate ligature points and can be ballasted for extra security.

Features That Matter

Anti-Ligature Design

The one-piece, roto-molded design eliminates pass throughs and tie offs, thus reducing ligature risk.

Rounded Edges

Smooth, rounded edges provide a pleasing aesthetic and contribute to a safe design.

Contraband Resistant

Specifically engineered without any creases or nooks to mitigate the ability to hide contraband.

Optional Tamper Resistant Upholstery

Optional upholstery is double stitched with concealed staples for additional durability and for the safety of residents and staff.

Non-Removable Glides

Non-removable, steel encased floor glides protect the floor from scratching without risking the safety of residents and staff.

Extreme Durability

The heavy-duty, durable design offers enhanced safety for residents and peace of mind for staff – even when positioned in unsupervised spaces.

TruColor™ Technology

Our premium TruColor™ Technology creates full and consistent coloring that is void of any streaks, speckles or other color disruptions.

Ballastable

Ballasting improves security by enhancing stability and reducing the risk of moving or throwing the chair.

Easy Cleanability

Bleach solutions and hospital grade cleaners can safely be used for sanitation without effecting the surface material or color.

GreenGuard Gold Certified

The highest level of GreenGuard Certification, this product meets strict health-based criteria for VOC emissions and total chemical emissions.
