FluxTM

SEATING SERIES

Flux™ Series

The Flux Collection evokes a sense of calmness, comfort and a connection with nature by integrating familiar, organic shapes into its design. The slim, space-saving base design enhances efficiency and facilitates a more streamlined layout – all without sacrificing stability. Gently curved edges extend flush to the floor to give Flux a contemporary look that supports a safe, secure environment. The one-piece construction makes Flux fluid resistant, tamper resistant, prevents the concealment of contraband and allows for easy sanitation.

Features That Matter

Designed to Fit: Efficient, Space-Conscious Living

The slim base design optimizes space utilization, enhances efficiency and facilitates a more streamlined layout without sacrificing the stability of the chair.

Curved for Comfort: Organic Shapes in Modern Products

The soft edges and organic shape are supported by research proving curved surfaces promote relaxation and reduced stress.

Subtle Depth: Products Enhanced by Recessed Geometry

The foot cavity is recessed allowing users to position their heels closer to the chair surface and under their knees.

Fixed-Fit Glides: Non-Removable Protection for High-Demand Use

Non-removable, molded-in floor glides protect the floor from scratching without risking the safety of residents and staff.

GreenGuard Gold Certified

The highest level of GreenGuard Certification, this product meets strict health-based criteria for VOC emissions and total chemical emissions.

TruColor™ Technology

Our premium TruColor™ technology creates full and consistent coloring that is void of any streaks, speckles or other color disruptions.
