Evolve™

TABLE SERIES

Evolve™

An eloquent evolution from a traditional table design, the Evolve™ Table series combines a modern design aesthetic with the extreme safety and durability standards of Norix products. Ribbed design details provide a neutral and comforting repetitive pattern while avoiding perceived two-dimensional imagery. The tapered base creates increased stability when ballasted and allows for easy cleaning.

Features That Matter

Neuro-Aesthetic Design

The simple dimensional pattern and rotational symmetry of the base promote positive emotional and psychological experiences among residents.

Enhanced Stability

In addition to being ballastable, the base is bolt-down capable with increased contact points to ensure stability, prevent tipping and reduce the risk of moving or throwing.

Easy Clean Base

A recessed, untextured collar wraps around the bottom of the table base, enabling cleaning instruments to easily sanitize around the base of the table.

Adolescent-Friendly Dimensions

Holistically designed with size-appropriate dimensions for use in adolescent environments.

DuoForm™ Technology

The permanent fusion of two specially formulated, high-impact polyethylene layers provides DuoForm™ with enhanced strength, long-term durability, and a distinctive two-tone appearance.

Standard Features

Rounded Edges, Secure Molded Edge, Molded-In Glides, Contraband Resistant, Tamper Resistant, Extreme Durability
