STEP 1. Lay the chairs on their fronts as shown below. Ensure the bottoms of the chairs are facing towards you and aligned to each other.

STEP 2. Place one off-set ganging plate along the bottom of the chairs, aligning the slots with the holes on both chairs.

STEP 3. Fasten the plate to the chairs using four screws (B) and washers (C). Begin by hand-tightening all fasteners to ensure correct plate to chair alignment. Once aligned, fully tighten the fasteners, verifying a tight fit between the chairs.

STEP 4. Repeat Step 2 & Step 3 for the other plate.
